Dear Essay-writers,

We regret to inform you that, due to unexpected conflict of schedule, the Annual Lily Thomas Memorial Lecture 4.0, which was to be held on 15th December 2023, has been postponed to a later date. We have received your essay and are in process of evaluation. The unfortunate delay would affect the announcement of the results of the Essay Writing Competition as well.

However, the event would be held on a later date, post the winter break (tentatively January / February), at which the results will be announced and as earlier disseminated, the winners will be given an opportunity to present their essays. The details regarding the changed schedule of events will be shared duly with all the essay-writers beforehand for your convenience and required preparation.

We express our sincere apologies for any inconvenience caused due to change in the schedule and hope for your continued enthusiasm in being part of this event.

Kindly visit our website <https://lilythomas.net/> for further updates.

Thank you for your support and patience,

Yours faithfully,

Office of Lily Thomas
